In the midst of the Lollapalooza craziness last Saturday, Refinery29 got the exclusive and [spent an entire day and night with indie-pop star \(and new face of CK One color cosmetics\) Dev](#).

We followed the "Like A G6" songstress from the fan-packed product launch at the Ulta on State Street to the "Rock the Vote Nights" concert (alongside Kelly Osbourne, no less) and after-party at the Hard Rock Hotel Chicago. **Along with getting to know the down-to-earth singer, we tracked her clothing, hair, and makeup looks**, which included covetable Christian Louboutins and (believe it or not) a midday haircut. [Click through to experience our exciting 13-hour day with Dev](#)—and try to keep up.
